

# Vladimir Rannev Contributor

Vladimir Rannev is a composer specialized in acoustic and electroacoustic music. For the Russian Federation's pavilion, he will be working on a sonic image for the institution. Collaborating with Mikhail Maximov (one of the contributors to this year's Russian Pavilion), Rannev is also realizing the soundtrack for a gaming platform that will be on [pavilionrus.com](http://pavilionrus.com) at the beginning of June.
